SchoolBrains Overview

Blackhawk School District - SchoolBrains

SchoolBrains Overview

- Starting in the 2015 – 2016 school year, SchoolBrains will be used as the district's student information system.
- SchoolBrains contains a "community portal" that can be accessed by parents and students to view grades and lesson plans.
- For the start of the 2015 – 2016 school year, parents in grades 3 – 12 will receive a user name and password that is shared with their students to view grades and lesson plans.

Accessing the Community Portal

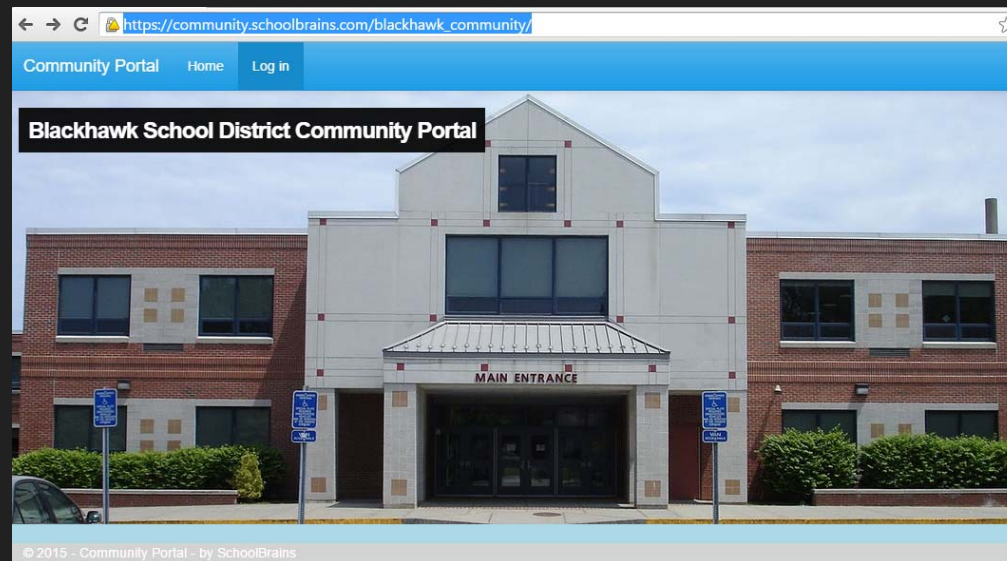

Blackhawk School District - SchoolBrains

Browsers

- It is highly recommended that one of the web browser below are used to work with SchoolBrains:
 - Google Chrome
 - Safari
 - Firefox
- Some of the features of SchoolBrains (and other websites) do not work properly with Internet Explorer.

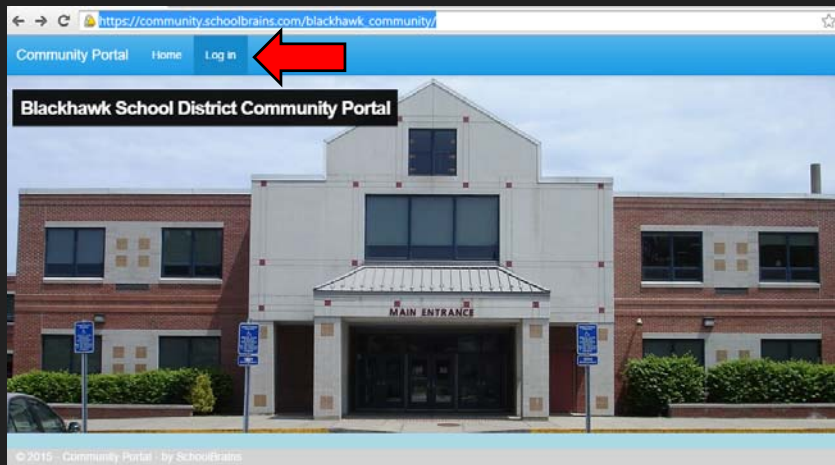

Accessing the Community Portal

- The SchoolBrains “Community Portal” can be found at:
 - https://community.schoolbrains.com/blackhawk_community/

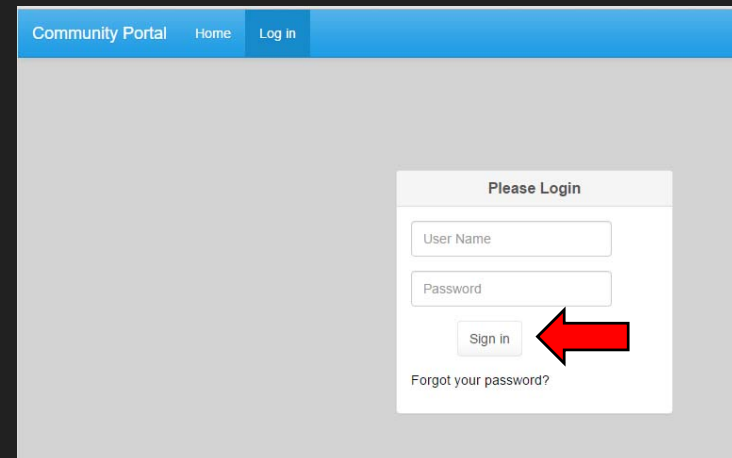

Logging In

- Click on the "Log In" button.

- Enter your child's username and password.

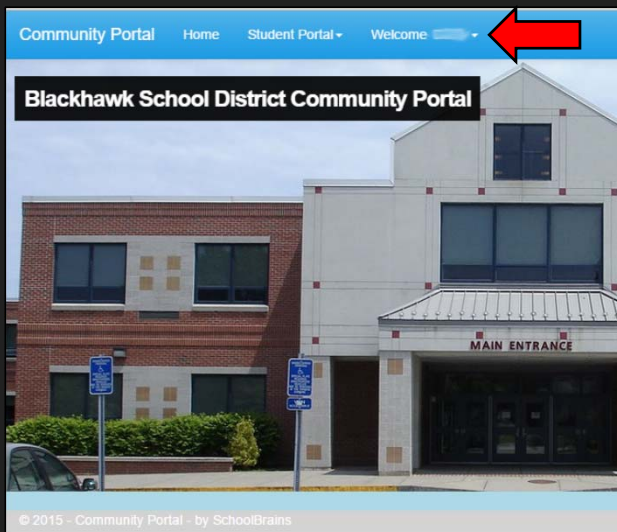

Navigating the Community Portal

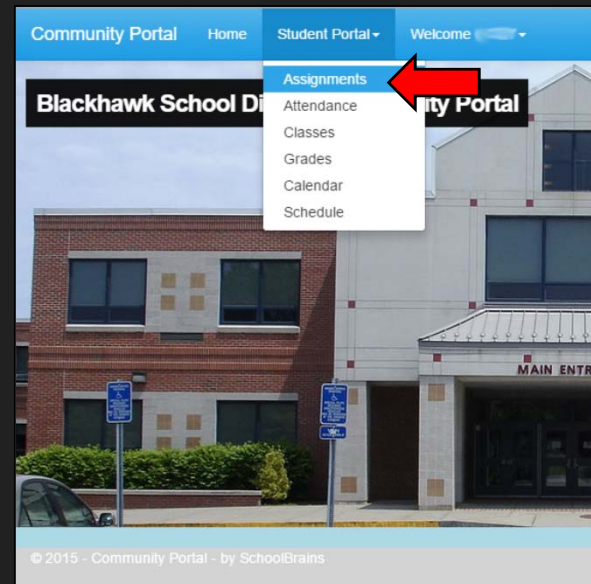

Blackhawk School District - SchoolBrains

Student Portal

- Once logged in, you will see your students name in the top navigation menu.

- Under the "Student Portal" menu, you will see a variety of areas to view.

Areas of Student Portal

- Assignment – show a listing of all of the assignments for your child's courses along with the earned grade (after it is graded). This will include weekly lesson plans.
- Attendance – listing of absences for your child.
- Classes – listing of your child's classes along with a summary of the courses assignments, 9 weeks grades, and teacher information.
- Calendar – a listing of events for the students.
- Schedule – a visual view of the student's schedule.
