In preparing students for a global economy, visual arts education is a vital component to the Blackhawk community. Visual arts foster the development of critical thinking in problem solving, cultural understanding and awareness, and creative experiences and expression for the purpose of cultivating a lifelong appreciation of the arts.

### **COURSE DESCRIPTION:**

Eighth Grade students will be involved in an intensive seven week exploration of art. Students will study and create work using various basic art production methods including drawing, painting, and three dimensional work.

The following outline provides a general overview of the course content, not a chronological timetable. The weeks denoted for each area provide an idea for the overall time spent working with a given topic throughout the school year.
