To whom it may concern,

This letter is to request permission for the High School Marching Band to participate in a three night trip to Indianapolis, Indiana for the Bands of America Grand National Championships competition. The trip will take place on Thursday, November 12th through Sunday, November 15th. The band will be representing our district on the national stage in a competition performance on Friday, as well as experiencing the festival as spectators. Here, they will get to see the nation's top bands perform.

We will depart on Thursday after school, and leave to return home after the final performances on Saturday evening. Students will be home all day Sunday to recuperate and attend to work missed on Friday.

This trip will provide our students with both the chance to represent our school on the national stage, as well as afford them opportunities to explore various musical performances, and see what the rest of the nation has to offer. Further information regarding this event can be found at musicforall.org. Please do not hesitate to contact me if you have further questions regarding this trip.

Thank you for your support!

Sincerely,

David Zaccari
Blackhawk Director of Bands
