### MISSION:

A foreign language is an exciting and valuable tool that helps students communicate effectively with and develop a respect for other cultures. Through reading, speaking, listening, and writing, students gain a broadened perspective of the world as well as a better understanding of their own language. As they develop these skills, students are empowered to compete and succeed in a global society.

### COURSE DESCRIPTION:

This course is a continuation of a comprehensive study of all basic language skills. Through reading "Lecture et Culture", "Realites" and "Culmination", an awareness of the French people and their culture will be increased. Expanded vocabulary and grammar centers around oral and written exercises. Speaking is guided through question and answer patterns, encouraging students to communicate in French
