MUSIC DEPARTMENT MISSION:

Blackhawk School District will support development of all students' musical awareness, enjoyment, confidence and expression through educational and enrichment opportunities. We are dedicated to providing an excellent music education through a sequential program of study, performing ensembles and concerts that foster excellent musicianship and a lifelong appreciation for music.

COURSE DESCRIPTION:

Music Technology II is a semester course which continues the fundamentals learned in Music Technology I. It continues the incorporation of concepts in current technology available in the production of music. Students will continue to develop musicianship, appreciation and technique through construction of music through the use of the programs, Finale and Cubase. An emphasis will be placed on original student work as they progress through the course.

The following outline provides a general overview of the course content, not a chronological timetable. The weeks denoted for each area provide an idea for the overall time spent working with a given topic throughout the school year.
